Hi Richard,

A transient did rip it up. We were contacted by a resident who has the plaque. We are going to pick the plaque up tomorrow if the resident can make time to meet us. The next step is having it re-installed.

Brian, Suzanne & Ron:

The Calvin Hamilton plaque on the pedestrian walkway near Bunker Hill Towers is missing.

Did one of the maintenance crews remove it for cleaning and repair, it appears that it was lost last week.

Please let me know what you find out.

Thanks so much,

Richard Schave
